PRECAUTIONARY BOIL WATER NOTICE HAS BEEN RESCINDED

Water meets all regulations for residents to safely consume

MIRAMAR BEACH, FL – A “Precautionary Boil Water Notice” for South Walton Utility Company, Inc. (SWUCI) customers has been lifted. All residents may now consume water as usual. All users should now allow water to run for five minutes at each tap to flush the lines with safe water. Remember to discard the ice in all ice makers.

The notice was rescinded following the repair of a water main break and the satisfactory completion of the bacteriological survey showing that the water is safe to drink. Anyone with additional questions should call Joe Ream at 850-837-2988 or visit www.swuci.org.

South Walton Utility Company, Inc. is a member owned, non-profit company providing members and the community with quality, reliable, and economical service since 1968.
