

# STRATEGIC PLAN SUMMARY 2023-2026

**VISION:** To protect, promote & improve the health of all people in Florida through integrated state, county, & community efforts.

**MISSION:** To be the Healthiest State in the Nation

## PRIORITY AREAS

### HEALTHY, THRIVING LIVES

Support health outcomes and quality of life of all people.

We will:

- ✓ Enhance health promotion activities.
- ✓ Enhance prevention activities.
- ✓ Enhance interagency collaboration.

### HEALTH CARE RESILIENCY

Reduce barriers to care through system improvements.

We will:

- ✓ Improve health in rural, minority and under-served communities.

### EMERGING HEALTH THREATS

Demonstrate readiness for emerging health threats.

We will:

- ✓ Reduce the transmission of communicable diseases.
- ✓ Enhance response infrastructure.

### MATERNAL & CHILD HEALTH

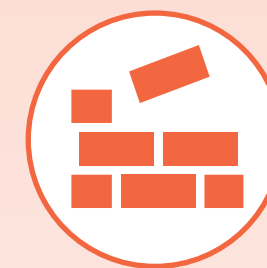

Optimize the health and well-being of women, infants, children and families.

We will:

- ✓ Enhance health promotion and prevention geared toward improving maternal, infant, child and adolescent health.

### CAPACITY BUILDING

Strengthen the workforce, processes, technology, and infrastructure.

We will:

- ✓ Cultivate a diverse, skilled and engaged workforce.
- ✓ Promote a culture of performance management and quality improvement.
- ✓ Promote improved health outcomes through expanded data sharing.
- ✓ Leverage supplemental grant funding to support and expand programs and services.
